

XVII International Conference on High-Speed Rail

Palacio de Congresos, Córdoba, Spain, June 12, 13 and 14, 2024

TOWARDS 200 YEARS OF THE RAILWAY

- **High-Speed:** future trends of an innate vocation
- **Commuter:** key to metropolitan movility available to everyone
- **Freight:** the efficient path to decarbonization.

From his two centuries of perspective... How does it see us?
